ABSTRACT

A comprehensive list of published reports on western gall rust, *Endo-cronartium harknessii*, is presented.

RESUME

Ce document présente une liste détaillée des rapports publiés sur la rouille-tumeur de l'Ouest (*Endo-cronartium harknessii*).

INTRODUCTION

This comprehensive list of published reports on western gall rust has been prepared as part of a research project entitled *Western gall rust studies in relation to the genetic improvement*

program of lodgepole pine. This project has been supported partly by a fund made available to the University of Alberta by the Alberta Department of Energy and Natural Resources.
